Guidewire configuration developer jobs

Guidewire Testing Accelerates Delivery Of Value

Early defect detection, fast feedback on changes and collaboration to enable fast implementations

Common testing infrastructure with modern, industry-standard test automation tools

Well-tested implementations as input for faster updates

Course Content

- PolicyCenter Entities
- Policy Transactions
- Into to PolicyCenter Configuration
- Configuring Location Groups and Pages
- Configuring Job Wizards
- Contacts and Locations
- Introduction to Product Model
- Introduction to Product Model Configuration
- Configuring Products and Policy Lines
- Configuring Coverages
- Configuring Coverage Terms
- Configuring Modifiers
- Configuring Question Sets
- Configuring Offerings

UNIT 3
Centre of E

We're Hiring

EvokeTechnologies
Simplified Solutions For Everyday Challenges

Fantastic opportunity for you to be part of a vibrant software company

Open Positions

Oracle EBS - QA
Technical Associate (Java / J2EE)
Architect (Java / J2EE)
Guidewire Developer
Project Manager (Technical - Java / J2EE)
Senior Hadoop Developer
Data Scientist
Senior Technical Associate (Java / J2EE)
Business Development Manager
